Product Information	Very unique Honjozo!								
	Aged Ginjo is blended with the original Honjozo to make this sake have its distinctive flavor. This aged sake becomes an accent, and increases complexity of flavor and roundness in taste. It is well-balanced and food-friendly!								
Food Pairing	Compared to ordinal Honjozo, this Honjozo is richer and more complex flavor. So, it is better for strongly seasoned Japanese dishes like "Simmered squid and taro with Soy sauce and Mirin".  Also, this sake is a good match for slow-cooked foods such as beef stew when served warm.
