Product Information	100% made from "Koshihikari" rice, which is one of the most famous and high quality rice among table rice varieties.								
	Since it is fermented with lower temperature, more flavor is extracted from the rice. We use moderate filters to keep the original aroma and flavor.								
	This product is recommended to drink cold!								
Food Pairing	Root vegetables go well with this sake. For example, simmered veggies with soy sauce and Hon-Mirin are a good match.								
	It also pairs well with Chinese foods like "Chop-suey" or "Sweet and sour pork".
